

Growing Private Practice in Eagan, MN Seeking Dynamic, Passionate and Confident Licensed Dental Assistant

At George Dental, we believe the very best version of our guests begins with a smile. As our practice continues to see large guest growth and high retention, we're seeking an experienced and knowledgeable professional with an eye for details to join our team.

We are looking for a professional that is caring and collaborative, with the ability to work efficiently in a fast past environment while providing superior guest experiences. Our innovative and modern office in Eagan provides our team members and guests the highest quality; including private treatment suites, state-of-the art equipment and environmentally friendly equipment and practices. Our team is made up of passionate, talented partners that are committed to making a difference in the lives of guests of all ages, helping them improve their overall health and confidence with healthy and radiant smiles.

This is a full-time position. George Dental is committed to professional growth and mentorship for our team members and will support you in achieving diverse and inspirational experiences in the dental field. *Let life in.*
